5.8 Submission of Plans. Plans and specifications in accordance with the Association's Governing Documents, describing the proposed modification, shall be submitted to the Architectural Committee by personal delivery or certified mail. 5.13 Building Department and Association Approvals. Any construction, repair, modification, or alteration of any Improvement requiring the issuance of a building permit shall be submitted by the Member to the appropriate governmental entity for review and approval. 5.15 Hold Harmless and Indemnify. Approval of plans by the Association signifies only a general conformance with its Architectural Standards and not with Building and Safety Code compliance, lot lines, easements, or construction best practices. Neither the Architectural Committee or its members nor the Association or its Officers, Directors, employees or agents shall be liable for any damage, loss or prejudice suffered or claimed on account of the Architectural Committee's review, approval, or disapproval of any plans, drawings or specifications, or the conformance of the construction with the approved plans.

Subject to the notice provisions in these CC&Rs under "Right of Entry," the Association shall have the right to enter upon any Balcony or Patio in connection with any maintenance or construction for which the Association is responsible.

6.3 Right to Inspect and Repair. To ensure compliance, the Association shall have the right to enter the Balconies and Patios to inspect them. The cost of such repairs shall become an Assessment against the Lot, as provided for by these CC&Rs.

6.4 Damage. Members shall be liable for any damage to their Balconies or Patios caused by the acts, omissions, or willful misconduct of such Members, Residents, guests, or their family or pets. - b. *Secondhand Smoke*. Any "exfiltration" (air flow outward through a wall, building envelope, window, etc.) of any noxious odor or smoke, including tobacco smoke, from a Lot, whether through windows, doors, vents, or other means, is prohibited. It is the responsibility of the Member causing such exfiltration of smoke to prevent such exfiltration.
- c. *Allergies*. Residents with allergies or sensitivities must, at their own expense, take precautions to protect themselves against commonplace levels of noise, odors, dust, smoke, gases, pollen, or other environmental pollutants.
- d. *Board Action*. Because a nuisance is largely subjective, the Association is not obligated to become involved in disputes where, in the opinion of the Board, the alleged nuisance causes mere inconvenience.

7.8 Obstruction of Common Areas. No Common Area shall be obstructed or used for other than its intended purpose, except as designated by the Board.

7.9 Quiet Enjoyment. No one may engage in any abusive or harassing behavior or any form of intimidation or aggression, whether verbal or physical, against other Members, Residents, guests, invitees, members of the Board, or the Association's management, employees, agents, or vendors. In the event the Association chooses not to act on a complaint of breach of quiet enjoyment, or the complaining party believes the Association's action is not sufficient, such party may

take legal action to enforce this provision against other Residents, but specifically waives his/her right to take action against the Association and its officers, directors, employees, and agents in their handling of the party's complaint.

Owners may display one sign in a Lot window which is of reasonable dimensions and design, advertising that the property is for sale or lease, as allowed by law and subject to any restrictions in the Rules and Regulations.

In no event shall the Association be liable for the acts or omissions of employees hired by Members.

7.19 Use of Independent Contractors. Members may use independent contractors to perform work in their Lot. Such contractors shall be licensed and insured. The Association may, but is not required to, and is specifically relieved of any responsibility or liability for policing this provision. Members shall be liable for any

injury to Persons or damage to the Common Areas, Exclusive Use Common Areas, Lots and any personal property caused by the acts or omissions of such Member's contractor. The Association may in its discretion repair, restore or replace such damaged property and may impose a Reimbursement Special Assessment against the liable Member and that Member's Lot for all costs, expenses and attorney fees incurred by the Association in connection with said damage. The Reimbursement Special Assessment may become a lien against the liable Member's separate interest enforceable by the sale of the Member's Lot under Civil Code sections 2924, 2924(b), and 2924(c).

7.20 Window Coverings. Appropriate window coverings must be installed on windows at all times. The color of such window coverings shall be in harmony with the exterior of the structure. No window may be covered by paint, aluminum foil, newspapers, bed sheets, cardboard, blankets, or other similar items.

7.21 Drains. There shall be no interference with the established drainage pattern in the Development unless an alternative provision is made and approved in advance in writing by the Architectural Committee.

7.23 Increased Insurance Rates. No Member shall permit anything be done or kept in or on any Lot or any Common Area which will increase the rate of insurance in or on any other Lot or the Common Area, or which would result in uninsurability or in the cancellation, suspension, modification or reduction of insurance in, on or covering any other Lot, Common Area or item of personal property within the Development. If, by reason of the occupancy or use of any portion of the Development by any Member, the rate of insurance on any policy held by the Association shall be increased, such Member shall become personally liable to the Association for any increase in insurance premiums caused thereby and the cost of the increase shall be assessed to such Member and his/her Lot as a Special Assessment.

7.24 Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Lot except such machinery or equipment as is usual and customary in connection with the use, maintenance or construction of a private Residence.

7.25 Sanitary Conditions. Members shall maintain their Lots and all Improvements in a clean and sanitary condition and not allow rubbish or debris of any kind to accumulate so as to render any Lot or portion of a Lot unsanitary, unsightly, or offensive.

7.26 Storage. No Lot shall at any time be used for open air storage of building materials, vehicles, implements, tools, furniture, landscaping materials or equipment, irrigation pipes or apparatus, junk, trash or any other things whatsoever; provided,

however, that building and landscaping materials, tools or equipment may be placed and maintained on building sites as provided for in the Architectural Standards.

7.27 Tanks and Receptacles. Every tank for the storage of fuel installed outside any structure on a Lot shall be either buried below the surface of the ground or screened to the satisfaction of the Architectural Committee by fencing or shrubbery.

7.29 Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, shall be constructed, placed or maintained anywhere in or upon any Lot unless the same shall be contained in conduits or cables constructed, placed and maintained underground or concealed in, under or on buildings or other approved structures. Nothing herein shall be deemed to forbid the erection and use of temporary power or telephone services incident to the construction of approved buildings.

## **ARTICLE 8: LEASING AND OWNERSHIP LIMITATIONS**

8.1 Lease Requirements. No Member shall lease less than the entire Lot nor shall the lease be for an initial term of less than one (1) year. If a Tenant vacates after less than one year, the Member may not re-lease the Lot until the expiration of one (1) year from the date the Tenant moved in. Lots may not be used for time-share purposes, hotel-like operations, or other transient purposes.

8.2 Supplemental Lease Agreement. Any lease or rental agreement between Member and Tenant shall be in writing. In addition, Member, Tenant, and the Association shall execute a Supplemental Lease Agreement. Member agrees, at a minimum, to the following terms: (i) the lease is for the entire Lot; (ii) Member understands and agrees that Member is transferring any right to use Common Area facilities to Tenant; (iii) no assignments or subleases will be permitted; (iv) the lease is for not less than one year and Member cannot re-lease the Lot if Tenant moves out before Tenant's one year Residence has been completed; (v) Tenant agrees to comply with the Association's Governing Documents and be subject to the same disciplinary procedures and fines as Members; (vi) Member assigns rents to the Association in the event Member becomes 60 days delinquent in the payment of Assessments to the Association; (vii) Tenant shall carry renter's insurance; (viii) Member grants the Association the power to institute an unlawful detainer action on his/her behalf for violation of the terms of the Supplemental Lease Agreement; (ix) Tenant holds harmless the Association; (x) Member, Tenant, and Association shall resolve disputes under the Supplemental Lease Agreement through binding arbitration, except for any unlawful detainer action initiated by the Association; (xi) the prevailing party in an action arising out of the Supplemental Lease Agreement shall be entitled to attorneys' fees and costs; and (xii) in the event of a conflict, the terms of the Supplemental Lease Addendum supersede the terms of any other agreement between Member and Tenant.

8.3 Governing Documents. Members shall provide their Tenants with copies of all Governing Documents, including, but not limited to, the CC&Rs, Bylaws, and Rules and Regulations, as well as any applicable amendments, and must ensure compliance with all provisions of the Governing Documents.

8.4 Transfer of Common Area Privileges. Any Member residing off-site and whose Residence is occupied by others automatically relinquishes to their Residents the Member's rights to use the Association's Common Area facilities until the Member re-takes possession of the Residence and the Lot.

8.5 Transfer of Occupancy. Members living offsite shall promptly provide the Association with the name, address, phone number, and email address of all Lot Residents and any change in occupancy.

A Member's failure to take legal action against his/her Tenant who is in violation of the Governing Documents (including the institution of proceedings in unlawful detainer) within ten (10) days after receipt of written demand to do so from the Board shall entitle the Association to institute unlawful detainer proceedings on behalf of such Member and against the Tenant. Any expense the Association incurs, including attorneys' fees and costs of suit, shall become a Special Assessment against the Lot.

8.8 Assignment of Rents. As security for the payment of Assessments and other sums owed to the Association, Members who lease their Lots hereby pledge their rights as landlords (including the right to receive rent) to the Association. In the event a Member becomes delinquent in payment of Assessments to the Association, the Association may require the Tenant to direct any and all rent payments to it until such deficiencies have been paid in full. Members shall have no right to collect these amounts from Tenants and may not evict Tenants for complying with the Association's demand for rents.

8.9 No Criminal Activity. No Person may reside on any Lot if they engage in criminal activities. For purposes of this section "criminal activities" shall mean drug-related activities (including the illegal manufacture, sale, distribution, use or possession of a controlled substance), gang related activities, unlawful use or discharge of firearms, prostitution, or any misdemeanors or felonies enumerated in the California Penal Code. For purposes of this section "reside" shall mean the use, residency or occupancy of any Residence by any Person for more than five (5) consecutive days or more than ten (10) aggregate days, whether or not consecutive, in any one calendar year. In addition, no Owner of a Lot shall permit, by rental agreement or otherwise, Persons who engage in criminal activities to reside on their Lot.

8.10 Ownership Limited to two Lots. Members shall not be on title to any more than two (2) Lots. Being "on title" is defined to include the Person or any entity which the Person is a part of, including a company, corporation, partnership, or trust that is on title to the property.

## **ARTICLE 9: PETS**

9.1 Pet Limitation. Usual domestic dogs, cats, fish, and birds may be kept as household pets. No more than three (3) dogs or cats or any combination of dogs or cats can be kept as household pets, provided that no animal shall be kept, bred, or maintained: (i) for any commercial purpose; (ii) in unreasonable numbers; or (iii) for any purpose that would involve any odor, noise, or other nuisance which would unreasonably disturb the use and enjoyment of any portion of the Development by other Members. The Board may set additional restrictions, rules, and regulations regarding the kinds and sizes of pets which may be kept and other pet issues.

9.2 Size Limitation. No dog which exceeds a weight of one-hundred-twenty (120) pounds is permitted. With proper documentation, physically and/or mentally disabled individuals will be allowed to have a trained service dog over the weight limitation.

9.3 Grandfathered Pets. Pets residing at the Association on the date of recordation of these CC&Rs which were not in violation prior to that date, but which are prohibited under these CC&Rs, are permitted; provided, however, those pets are registered with the Association. Residents may keep any such registered pets for as long as the Resident resides in the Development. However, once the Resident has moved from the Development or the pet has died, the pet cannot remain in the Development or be replaced, except as provided for in these CC&Rs.

9.4 Service Animals. An animal otherwise prohibited by these CC&Rs, which is kept by a Resident for the purpose of servicing the Resident's disability, may be kept by such Resident provided: (i) the Resident submits appropriate documentation to the Board verifying the existence of a legally-defined disability; (ii) the service animal is properly cared for by the Resident (i.e., kept healthy, clean, and properly groomed and waste material is properly disposed of); and (iii) the animal is not unruly or disruptive (e.g., barking, growling, running loose, displaying aggressive behavior, etc.). It is each Owner's sole responsibility to confirm that the garage is accessible for the Owner's vehicle.

## **ARTICLE 11: ENFORCEMENT OF GOVERNING DOCUMENTS**

11.1 Association Enforcement Rights. In addition to any other rights described in these CC&Rs and without waiving the Association's right to institute other enforcement measures, and subject to the notice and hearing provisions in the Bylaws, the Governing Documents may be enforced by any or all of the following, as may be appropriate:

- a. *Monetary Penalties.* The Board may assess reasonable monetary penalties for violations of the Association's Governing Documents by a Member, Member's Tenant or their respective family, Lot Residents, or guests. 11.3 Failure to Enforce Not a Waiver. Failure to enforce the Governing documents, whether by the Board or any Member or other Person entitled to enforce them, shall in no event be deemed a waiver of the right to do so. Waiver or attempted waiver of any provision of these CC&Rs with respect to a given Lot shall not be deemed a waiver as to any other Lot. Additionally, violation of any provision hereof with respect to any Lot or Lots shall not affect the applicability or enforceability of any provision of these CC&Rs to any other Lot.

11.4 Remedy at Law Inadequate. Remedies at law for violation of the Association's Governing Documents are inadequate and equitable and injunctive relief may be sought and awarded.

11.5 Right of Action Against Buyer. Failure by a Member to correct Lot violations prior to the transfer of title to the Lot shall give the Association the right to enforce compliance against the buyer.

If it is necessary for the Association to damage or destroy property to gain access to the Lot, the Member shall have no right of action against the Association or its representatives. However, the Association shall repair the damage if the emergency did not originate in the Lot. Prior to emergency entry, if feasible, the Board shall make a good faith effort to give notice.

12.5 Refusal to Allow Entry. In the event the Resident refuses to allow entry for any reason authorized in these CC&Rs, the Association shall have the right to assess against the Member all expenses including reasonable attorneys' fees (regardless of whether legal proceedings are instituted) incurred by the Association arising from the Resident's refusal to allow entry. However, the Association shall have the duty to diligently make repairs so as to return occupancy as quickly as possible.

- a. *Notice.* The Board shall give notice of the need to temporarily vacate a Lot to Residents and Members not less than fifteen (15) days prior to the date of the relocation. - e. *Modification of Assessment.* The Board may modify the Regular Assessments during the course of a fiscal year if necessary to conform to a revised estimate of costs and expenses. However, if the aggregate increase exceeds twenty percent (20%) of the Regular Assessment for the immediately preceding fiscal year, the Board must obtain the approval of Members pursuant to Section 1366 of the Civil Code or any successor statutes. If an annual Regular Assessment is not published for a new fiscal year, the Regular Assessment for the prior fiscal year shall apply and govern each Member's payments until changed by a new Regular Assessment.

13.3 Special Assessment. In addition to the Regular Assessment, the Board may levy a "Special Assessment" for any purpose necessary for the Association to carry out its duties; provided, however:

- a. *5% Limitation.* Pursuant to Section 1366 of the Civil Code or any successor statutes, the Board shall not, without the approval of Members casting a majority of the votes with Quorum present, impose a Special Assessment which is more than five percent (5%) of the budgeted gross expenses of the Association for such fiscal year. Quorum for purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Special Assessments shall be fixed at a uniform rate for all Lots.
- c. *Reimbursement Assessments.* Special Assessments may also be levied against individual Lots for reimbursement of expenses incurred by the

Association arising out of actions or omissions of such Member, Member's Tenant, or their respective family, guests, invitees or pets. As provided elsewhere in these CC&Rs, such expenses shall include, but not be limited to: (i) enforcing compliance with the Association's Governing Documents; (ii) mitigating or repairing damage to Association property or Common Areas; (iii) collecting delinquent Assessments; (iv) attorneys' fees and costs; and (v) materials and services provided by the Association to individual Members, Tenants or their respective family, guests, or invitees.

- d. *Payment Schedule.* Special Assessments shall be payable by each Member against whom assessed either monthly or at such dates and in such installments as the Board shall determine.
- e. *Written Notice.* Written notice of Special Assessments shall be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the Assessment becoming due.

13.4 Emergency Assessment. In emergency situations, the Board may increase Regular Assessments beyond twenty percent (20%) or impose Special Assessments above five percent (5%) only as provided for by law.

13.5 Deposit of Assessments. All sums received by the Association shall be promptly deposited into accounts clearly designated in the Association's name.

- a. *Commingling.* The Association shall maintain separate accounts for its operating funds and its Reserves, respectively, and no funds from those separate accounts shall be commingled at any time.
- b. *Interest.* No Member shall have the right to receive interest on any such funds deposited.

13.6 Reserves. All sums assessed and collected by the Association which are budgeted to fund Reserves for anticipated long-term maintenance, repair, and replacement of Improvements upon the Common Area, the cost of which would not ordinarily be incurred on an annual basis, shall:

- a. *Be Segregated.* Be received in trust by the Board, set aside and segregated from the other monies and not be commingled with the Association's Operating Account.
- b. *Be Invested.* Be invested in low-risk investments. Reserves shall be deposited in financial institutions authorized to do business in California and where the Association's deposits are insured against loss. Alternatively, the Association may deposit funds with brokerage houses or institutions which are members of the Financial Industry Regulatory Authority and where the Association's deposits are insured against loss.

- c. *Require Two Signatures.* Be withdrawn from the Reserve account only upon approval by the Board and the signature of two (2) members of the Board.
- d. *Not Be Reimbursed.* All contributions to the Reserves, as well as interest earned, are for the benefit of the Association and not to the benefit of any individual Member. As such, contributions and interest are not refundable to Members when they cease to be Members of the Association.

#### ARTICLE 14: ENFORCEMENT OF ASSESSMENTS

14.1 Liability for Assessments. Assessments, together with charges, interest, costs, and attorneys' fees (regardless of whether legal proceedings are instituted), shall be a charge on the land and shall be a continuing lien upon the property against which each such Assessment is made. In addition, Members shall be personally liable for any and all Assessments provided for by these CC&Rs, together with any accompanying late charges, interest, costs, attorneys' fees (regardless of whether legal proceedings are instituted), and penalties as may be authorized under these CC&Rs. All Members owning a partial interest in a Lot shall be personally liable, jointly and severally, for the entire amount of any and all Assessments against such Lot.

14.2 Enforcement Rights. Any Assessment made in accordance with these CC&Rs shall be the separate debt of each Member against whom the same is assessed. In addition to any other rights provided for by law or described in these CC&Rs, the Board has the right to collect delinquent Assessments as follows:

- a. *Late Fees and Interest.* Unpaid Assessments shall be deemed delinquent fifteen (15) days after they are due and shall be subject to a late charge of the greater of either ten percent (10%) or Ten Dollars (\$10.00), which may not be imposed more than once on any delinquent payment, and interest at the rate of twelve percent (12%) per annum, which may commence thirty (30) days after the Assessment becomes due.
- b. *File Suit.* The Association may commence and maintain a lawsuit directly on the debt without waiving its right to establish a lien and initiate foreclosure against the Member's Lot for the delinquent Assessment. In any action to collect delinquent Assessments, late charges or interest, the prevailing party shall be entitled to costs and reasonable attorneys' fees. If such costs and fees are awarded to the Association, they shall become a Reimbursement Special Assessment against the Member and shall be fully enforceable by all means provided for in these CC&Rs including lien and foreclosure.
- c. *Lien and Foreclose.* In accordance with Section 1367.1 et. seq. of the Civil Code or any successor statute, a delinquent Assessment or installment, together with any late charges, interest, costs, attorneys'

fees, and penalties, shall become a lien on the Lot upon the recordation of a "Notice of Delinquent Assessment" in the Office of the County Recorder. The Board may enforce any Assessment lien against a Lot by filing an action for judicial foreclosure or by nonjudicial foreclosure. The Association, through its Board, may bid on the Lot at the sale and may hold, lease, mortgage, and convey the acquired Lot.

- d. *Suspend Privileges.* Subject to the notice and hearing provisions set forth in the Bylaws, privileges may be suspended until such time as delinquent Assessments, fees and fines, including any accumulated penalties, interest, and costs of collection have been paid in full.
- e. *Suspend Voting Rights.* Subject to the notice and hearing provisions set forth in the Bylaws, voting rights of a Member may be suspended if the Member is more than sixty (60) days delinquent in paying any Assessment, fee, or fine. Once suspended, a Member's voting privileges shall remain suspended until such time as the delinquency, including any accumulated late charges, interest, and costs of collection, have been paid in full.
- f. *Additional Remedies.* The remedies provided in this Section shall be in addition to, not in substitution for, any other rights and remedies which the Association may have.

14.3 No Offsets. All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation: (i) a claim that the Association is not properly exercising its duties and powers, as provided in these CC&Rs; (ii) a Member has not made or elects not to make use of the Common Area; (iii) any construction or maintenance for which the Association is responsible that has not been performed; or (iv) any construction or maintenance for which the Association is responsible that has not been performed to a Member's satisfaction.

14.4 No Exemption by Waiver of Use. Members may not exempt themselves from liability for Assessments nor release their Lots from liens and charges by waiver of their use and enjoyment of the Common Areas, by abandonment of their Lots, or through non-use of Common Areas or membership privileges.

14.5 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the enforcement of its Assessment rights against a Member may become a Reimbursement Special Assessment against that Member, which may be collected in any manner provided for by these CC&Rs or by law.

14.6 Non -Waiver of Assessments. If the Board fails to approve a Budget or fix the Assessments for the current year, the Budget and Assessments from the preceding year shall continue until a new Budget is approved and new Assessments are fixed.

## ARTICLE 15: INSURANCE

15.1 Association Insurance. The Association shall obtain and maintain policies of insurance as described below. So as to keep premiums at a reasonable level and to ensure the insurability of the Association, the Board shall establish appropriate deductibles and make business decisions as to which losses shall be submitted to the Association's insurance carrier.

- a. *Direct Physical Loss*. The Association shall maintain one or more policies for loss or damage by fire or other risks covered by the standard "Special Form" policy (or its equivalent) on all Improvements in the Development to original construction. The amount of such insurance shall be not less than one hundred percent (100%) of the aggregate full insurable value, meaning actual replacement value. The coverage shall be written on a blanket basis with an agreed value endorsement and an inflation guard endorsement. In addition, if available, the Board shall purchase
  - i. "Building Ordinance" coverage, or its equivalent, to cover any increased costs of construction following a covered loss which may be imposed due to changes in building codes or ordinances.
  - ii. "Maintenance Fees Receivable" coverage, or its equivalent, to cover the loss from unpaid or uncollected assessments resulting from a covered property loss.
  - iii. "Demolition and Debris Removal" endorsement in the amounts adequate to cover demolition and debris removal costs.
  - iv. Such other endorsements which the Board may deem necessary or reasonable.
- b. *Comprehensive or Commercial General Liability ("CGL")*. The Association shall maintain one or more CGL policies which shall provide appropriate liability limits for injury or death to one or more Persons in any one accident or occurrence. The Association shall carry coverage in amounts that meet or exceed those called for in Section 1365.9 of the Civil Code or any successor statutes.
- c. *Directors and Officers*. The Association shall purchase Directors and Officers errors and omission insurance, which shall provide appropriate liability limits insuring Directors, Officers, Committee members, and management employees. The Association shall carry coverage in amounts that meet or exceed those called for in Section 1365.7 of the Civil Code or any successor statutes.
- d. *Workers' Compensation*. The Association shall carry workers' compensation and employers' liability insurance, as may be appropriate.

- e. *Fidelity Bond.* The Association shall maintain blanket fidelity bond coverage for all Directors, Officers, Committee members, and employees of the Association handling funds of the Association or third party property. In the event the Association has delegated some or all of the responsibility for the handling of funds to a management agent, the management agent shall also be required to maintain blanket fidelity bond coverage for those Persons handling or responsible for funds of the Association.
- f. *Employment Practices Liability.* If the Association has employees, it should, depending on cost and availability, purchase employment practices liability coverage.
- g. *Automobile Liability Insurance.* If appropriate, the Association shall purchase non-owned and hired automobile coverage and garage-keepers legal liability coverage.
- h. *Boiler and Machinery Insurance.* If appropriate, the Association shall purchase insurance for the loss or damage to or as a result of boilers, pressure vessels, and pressure pipes.
- i. *Umbrella Policy.* In addition to appropriate levels of insurance for all of the above, the Association may carry an umbrella policy for its public liability and property damage, Directors and Officers liability, and workers' compensation policies.
- j. *Earthquake and Flood Insurance.* The Association may purchase appropriate levels of earthquake or flood insurance, if such insurance is available and if approved by the Board or the membership. In the event the Board decides not to purchase earthquake insurance for the Association's Improvements, that decision must be made as part of the Board's annual insurance disclosure to the membership.

15.2 Member Obligation to Carry Insurance. At their sole expense, Members shall purchase the following insurance: (i) real property and personal property coverage that insures their Lot's improvements and contents against damage or loss; (ii) premises liability that includes protection for bodily injury and property damage; (iii) loss of use that protects a Member for additional living expenses should his/her Lot become uninhabitable due to a covered loss; and (iv) loss assessment coverage that protects against Special Assessments due to a loss which exceeds the Association's master policy limits or deductible. In addition, if a Member operates a vehicle which is driven across or stored in the Association's Common Areas, the Member must carry appropriate automobile insurance. The Association may police this provision but is not required to and is specifically relieved of any responsibility or liability from doing so or failing to do so.

- a. *Waiver of Claims.* Members waive their claims against the Association to the extent such claims are covered under insurance which Members are required to carry under this Article, regardless of whether Members actually carry such insurance.
- b. *Assignment of Proceeds.* If any loss intended to be covered by the Association's insurance occurs and the proceeds payable are reduced because of a Member's insurance coverage, that Member shall assign such insurance proceeds to the Association, to the extent of the reduction. The Board shall apply those proceeds to the same purposes as the reduced proceeds received by the Association.

15.3 Payment of Deductible. If a loss occurs as a result of the negligence or breach of CC&Rs of a Member, Member's Tenant, or their respective family, guests, invitees, or pets or as a result of a failure of a portion of the Lot or its Improvements within a Member's care, custody, or control and the loss results in a payment by the Association's insurance, that Member shall pay the Association's deductible, if any.

15.4 Management of Claims. The Board, not individual Members, shall determine which claims, if any, shall be submitted to the Association's insurance carrier. The Board may take into account the Association's claim history, the amount of the deductible, the apparent merit of the claim, etc. and make a business decision regarding which claims are submitted and which ones are not. In the event a Member makes an unauthorized claim against the Association's insurance which results in an increase in the Association's insurance premiums, the amount of the increase shall be assessed against the Member and his/her Lot as a Special Reimbursement Assessment.

15.5 Liability for Increased Insurance Rates. In the event any act or omission of any Member, Member's Tenant, or their respective family, guests, invitees, or pets causes an increase in the cost of the Association's insurance, the amount of the increase shall be assessed against the Member and his/her Lot as a Special Reimbursement Assessment.

15.6 Choice of Contractor. With respect to any repairs for which proceeds of insurance are paid or are payable to the Association, the Board shall designate the contractor to perform the repairs to the Common Areas. Individual Members shall be responsible for overseeing repairs done to their respective Lots.

15.7 Insurance Company Rating. All policies of insurance obtained by the Board shall be from an insurance company qualified to do business in the State of California and holding a Best's Insurance Reports rating of "A" or better, or such other comparable rating as may be given by Standard and Poor's.

## **ARTICLE 16: PROTECTION OF LENDERS**

16.1 Notice of Institutional Holders of Default. Any Institutional Holder of any Mortgage on a lot shall be entitled to receive, upon written request to the Association, written notification from the Association of any default by the Owner (trustor) of such Lot in the performance of such Owner's obligations under these CC&Rs or the

Association's Articles or Bylaws which is not cured within thirty (30) days from the date of such default.

16.2 Assessment on Foreclosure. Any Institutional Holder of any First Mortgage who obtains title to a Lot pursuant to the remedies provided in the Mortgage (but exclusive of a deed in lieu of foreclosure), or through foreclosure of the First Mortgage, shall not be liable for any claims for unpaid Assessments or charges against such Lot which accrued prior to the acquisition of title to such lot by the Institutional Holder of the First Mortgage.

16.3 Right of First Refusal. Any Institutional Holder of a Mortgage who comes into possession of a Lot pursuant to the remedies provided in such Mortgage, or foreclosure of the Mortgage, shall be exempt from any right of first refusal, and any right of first refusal shall not impair the rights of an Institutional Holder to: (a) foreclose or take title to a Lot pursuant to the remedies provided in the Mortgage, or (b) accept a deed (or assignment) in lieu of foreclosure in the event of default by the trustor of the Mortgage, or (c) sell lease a Lot acquired by the Institutional Holder.

16.4 Required Consent of Owners. Unless at least two-thirds (2/3) of the Owners have given their prior written approval, the Association and the Owners shall not be entitled to: (a) change the method of determining the obligations, Assessments (whether annual or special), dues or other charges which may be levied against the Owner of a Lot; (b) by act or omission seek to abandon, partition, release, subdivide, encumber, sell or transfer any property or any Improvements which are owned, directly or indirectly, by the Association; (c) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design of the dwellings situated on each lot or the upkeep of the Common Areas within the Development; (d) use hazard insurance proceeds for losses to the Common Area property for other than the repair, replacement or reconstruction of such Improvements; (e) fail to maintain fire and extended coverage insurance on insurable Common Area property on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost); (f) abandon or terminate the Association, except for abandonment, partition or termination as may be provided by law; (g) fail to maintain an adequate reserve fund for the replacement of equipment and facilities used for Common Area maintenance.

16.5 Rights of Institutional Holders. All Institutional Holders of Mortgages on individual Lots shall, upon written request to the Association, be entitled to: (a) inspect the books and records of the Association during normal business hours; (b) receive an annual audited financial statement of the Association within ninety (90) days provided, however, that such audited statements shall be made available only if they have been prepared by the Association in the regular course of business, following the end of any fiscal year of the Association; (c) receive written notice of all meetings of the Owners of the Association and shall be entitled to designate a representative to attend all such meetings.

16.6 Payment of Taxes and Insurance Premiums. Institutional Holders of Mortgages on Lots within the Development may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge or lien against any Common Area property, if any, and may pay overdue premiums on hazard insurance policies or secure hazard insurance coverage upon the lapse of a policy for any Common Area property and the mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

16.7 Priority of Distribution of Proceeds. No Owner or any other party shall have priority over any rights of Institutional Holders of Mortgages upon individual Lots pursuant to their Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of all or any portion of the commonly owned property, if any, and/or the individual Lots and Improvements thereon.

16.8 Notice of Destruction of Taking. In the event that any Lot or the Improvements thereon or any commonly owned property, if any, or portions thereof, are substantially damaged or destroyed, or are made the subject of any condemnation proceeding in eminent domain or are otherwise sought to be acquired by a condemning authority, the Association shall promptly notify all Institutional Holders of Mortgages affected by such destruction, taking or threatened action.

16.9 Insurance. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit development projects established by the Federal Home Loan Mortgage Corporation, so long as it is a mortgagee or owner of a lot within the project, except to the extent such coverage is not available or has been waived in writing by the Federal Home Loan Mortgage Corporation.

16.10 Mortgage Protection Clause. No breach of the covenants, conditions or restrictions herein contained, nor any lien created hereby, shall defeat or render invalid the lien of any first mortgage or first deed of trust made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale, or otherwise.

16.11 Conflicts. In the event of any conflicts between any of the provisions of this Article and any other provisions of these CC&Rs, the provisions of this Article shall control.

## **ARTICLE 17: LIMITATIONS OF LIABILITY**

17.1 Standard for Liability. Officers, Directors, Committee members, employees, or agents shall not be responsible to any Member, Member's Tenant, or their respective family, guests, or invitees for any loss or damage to Person or property suffered by reason of water, fire, smoke, explosion, electricity, dust, sand, insect or rodent infestation, or any other source, unless there is clear and convincing evidence the

damage or loss was caused by the gross negligence or willful misconduct of the Association's Officers, Directors, Committee members, employees, or agents. The standard for determining liability shall not be strict liability.

17.2 Limited Personal Liability. No Officer, Director, Committee member, or employee of the Association shall be personally liable for any loss, injury, or damage to Persons or property for any act or omission, if the act or omission was performed in good faith, within the scope of the Person's duties for the Association, was not self-dealing, and did not constitute intentional misconduct or gross negligence.

17.3 Association Not a Security Provider. The Association may, from time to time, provide measures of security in the Development. However, the Association is not a provider of security and shall have no duty to provide any security in the Development. The obligation to provide security lies with each Member individually. The Association shall not be held liable for any harm to Persons or property by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. This shall include, but not be limited to, any loss or damage suffered by reason of theft of or damage to any article or thing which is placed or stored in or on any portion of the Common Area.

17.4 Duty to Defend. The Association shall indemnify and defend and shall advance reasonable attorneys' fees and costs to its Officers, Directors, Committee members, and employees against all expenses and liabilities reasonably incurred by such Person(s) in connection with any proceeding (including, but not limited to, alternative dispute resolution proceedings) to which they may be a party by reason of having been an Officer, Director, Committee member, or employee of the Association. Provided, however, the Association may recover its attorneys' fees and costs from, and shall not be liable for any judgments or other liabilities for, those Persons who are adjudged to have acted in bad faith or in gross negligence in the performance of their duties.

17.5 Personal Injury or Property Damage Sustained Within a Lot. The following shall apply if any Person sustains personal injury or property damage within a Lot or on its attached Patio or Balcony and the injury or damage results in a claim against the Association or any of its Officers, Directors, Committee members, Members, agents, or employees. The Owner of the Lot, Patio, or Balcony where the injury or damage occurred shall: (i) fully indemnify and hold harmless the Association, Officer, Director, Committee member, Member, agent, or employee against whom such claim or suit is brought; and (ii) defend, at his own cost and expense, any resulting litigation against said parties. However, there shall be no obligation to defend or indemnify any party whose gross negligence or willful misconduct was the cause of the injury or damage.

17.6 Actions Against Volunteers. No cause of action against a Person serving without compensation as Director or Officer of the Association on account of any negligent act or omission by that Person within the scope of that person's duties as Director acting in the capacity of a board member, or as an Officer acting the capacity of, and within the scope of the duties of, an Officer, shall be included in a complaint or other pleading unless the court enters an order allowing the pleading that includes that claim to

be filed after the court determines that the party seeking to file the pleading has established evidence that substantiates the claim.

## **ARTICLE 18: DAMAGE/DESTRUCTION TO IMPROVEMENTS**

18.1 Association's Duties. In the event of partial or total destruction of Common Area Improvements the Association is obligated to maintain, it shall be the duty of the Association to restore and repair the same to its former condition (or better) as promptly as practical. The proceeds of any insurance received shall be used for such repairs and/or replacement.

18.2 Member's Duties. In the event of partial or total destruction of Improvements on a Member's Lot, it shall be the duty of the Member to either: (i) restore and repair the same to its former condition (or better) as promptly as practical, or (ii) as promptly as possible remove the damaged Improvement as well as all debris and place the Lot in a clean and presentable condition to the satisfaction of the Architectural Committee.

18.3 Duties of Board During Reconstruction. If reconstruction is undertaken, the Board shall: (i) enter into a written contract with a contractor who is licensed and insured for such repair, reconstruction, and restoration; (ii) disburse insurance proceeds available for the work, along with funds collected by reason of Assessments, in appropriate progress payments; and (iii) take all steps necessary to ensure the commencement and completion of such repair, reconstruction, and restoration in a lawful, workmanlike manner at the earliest possible date.

## **ARTICLE 19: CONDEMNATION**

19.1 Notice. Promptly upon learning of any potential condemnation or sale by eminent domain, the Board shall notify all Members and first mortgagees who have filed a written request for notice.

19.2 Payment for Common Area. In the event an action in eminent domain is brought to condemn all or any portion of the Common Areas, the Association shall represent the Members in all proceedings, negotiations, or settlements. Awards for the acquisition of Common Area shall be paid to the Board, as trustee, for deposit into the Association's Reserves unless a majority of the total voting power of the Association elects to distribute the award among the Members in accordance with their Percentage Interest.

19.3 Payment for Lot. In the event that an action in eminent domain is brought to condemn all or any portion of one or more Lots, the award made for such taking shall be payable to the respective Owners of the Lots, subject to: (i) the rights of Mortgagees holding Mortgages covering such Lots; and (ii) all unpaid Assessments of each Member, taken together with interest charges. The Board of Directors shall have no responsibility for the restoration of a Member's personal property taken as a result of condemnation.

19.4 Substantial Taking. If there is a substantial taking of the Development, the right to partition suspended by these CC&Rs shall be revived.

19.5 Revision of Documents. In the event of any condemnation of a part of the Development, the Board shall, as soon as practical, cause to be prepared, filed, and/or recorded a revised subdivision map, Condominium Plan, or other documents, reports, schedules, or exhibits necessary to show the changed or altered status of the Development.

19.6 Status of Membership. In the event a Lot is taken in condemnation, the Lot shall cease to be part of the Development, the Member shall cease to be a Member of the Association, and the Percentage Interest in Common Area appurtenant to that Lot shall automatically become vested in the remaining Members, in proportion to their respective Percentage Interests in the Common Area.

## **ARTICLE 20: MISCELLANEOUS**

20.1 Amendment. These CC&Rs may be amended by the vote or written consent of Members comprising more than fifty percent (50%) of the Voting Power of the Association or as provided for in Section 1356 of the Civil Code or any successor statutes, provided that the percentage of the Voting Power necessary to amend a specific provision shall not be less than the percentage of affirmative votes prescribed for action to be taken under that provision. Any amendment enacted in compliance with this provision shall become effective when recorded with the Office of the County Recorder.

20.2 Amendment to Conform to Statute. If at any time a provision in these CC&Rs contradicts current law, according to a written opinion of the Association's legal counsel, the Board of Directors will have the authority, on the unanimous approval of the Directors and without approval of the Members, to amend that provision, but only to the extent necessary to render the provision compliant with applicable law.

20.3 Term of CC&Rs. These CC&Rs shall continue in full force and effect for a term of sixty (60) years from the date of their recordation, after which time they shall be automatically extended for successive periods of twenty (20) years, unless within six (6) months prior to the expiration of the initial term or any twenty (20) year extension period a written agreement executed and acknowledged by at least seventy five percent (75%) of the Members is placed on record in the office of the County Recorder, terminating the effectiveness of these CC&Rs.

20.4 No Right of Partition. No proceeding shall be brought for the partition of the Common Area, except as provided by Section 1359 of the Civil Code or any successor statutes.

20.5 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the enforcement of the Governing Documents against a Member or to determine the rights or duties of the Member under the Governing Documents may be levied against that Member by the Board as a Reimbursement Special Assessment, which may be collected in any manner provided for by these CC&Rs or by law.

20.6 Notices. Any communication or notice of any kind permitted or required herein may be delivered as provided in these CC&Rs and shall be in writing and may be served, as an alternative to personal service, by mailing same as follows:

To a Member: To the street address of the Lot or at such other address as Member may designate in writing to the Association.

To the Association: To the address of the Manager or the Board President.

All notices or demands to be served by mail shall be by first-class mail with postage prepaid. Service shall be deemed to be completed three (3) business days after such mailing.

20.7 Headings. The headings contained in these CC&Rs are for convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction of any term or provision of these CC&Rs.

20.8 Liberal Construction. The provisions of the Governing Documents shall be liberally construed to effectuate their purpose of creating a uniform plan for the use, operation and maintenance of the Development.

20.9 Number and Gender. Whenever the context so requires, the singular number includes the plural, the plural includes the singular, the masculine gender includes the feminine and/or neuter, and the neuter gender includes the masculine and/or feminine.

20.10 Severability. The provisions of these CC&Rs and any other Governing Document shall be deemed independent and severable and the invalidity, partial invalidity, or unenforceability of any one provision shall not affect the validity or enforceability of any other provision.

20.11 No Public Rights. Nothing contained in these CC&Rs shall be deemed to be a gift or dedication of all or any portion of the Development to the general public or for any public use or purpose whatsoever.

20.12 Successor Association. In the event the Association, as a corporate entity, is dissolved, a nonprofit, unincorporated association shall, without further action, automatically succeed to all the rights and duties of the corporation. The affairs of the unincorporated association shall continue to be governed by these CC&Rs, the Bylaws, Architectural Standards, and the Rules and Regulations, as well as any applicable law.

20.13 Conflicting Provisions. In the event of any conflict between these CC&Rs and the Articles or the Bylaws, these CC&Rs shall control. In the event of any conflict between the Articles and the Bylaws, the Articles shall control.
